B. V RAMAIENGAR,
District Forest Officer.

ENGINEERING DEPARTMENT.

OFFICE OF THE CHIEF ENGINEER.

Notice dated 6th April 1918.

The Chief Engineer of Mysore, while in Bangalore and not specially engaged, will be glad to hear petitioners on every Thursday, if it is not a Gazetted holiday, between 12 noon and 3 P.M.

2. Government officers and other gentlemen having business may call at the Chief Engineer's Office between 3 and 5 P.M., the same day.

3. During the absence of the Chief Engineer on tour from headquarters, or while he is otherwise engaged, the Deputy Chief Engineer will receive visitors and attend to them.

S. CADAMBI,
Chief Engineer of Mysore.

KRISHNARAJASAGARA WORKS.

Abstract Notification.

The attention of the public is invited to the notice dated the 30th August 1918, published on pages 799 and 800, Part IV of the *Mysore Gazette*, dated 5th September 1918, wherein tenders for the supply of "fuel" required for use on the South Bank of the Krishnarajasagara Works, for the period commencing from 5th November 1918 to 5th November 1919.

Abstract Notification.

The attention of the public is invited to the notice dated the 29th August 1918, published on pages 282 and 283, Part IV of the *Mysore Gazette*, wherein tenders for the supply of "Date Charcoal" required for the use on the Krishnarajasagara Works, for the period commencing from 15th October 1918 to 14th October 1919, are called for.

B. B. GARUDACHARYA,
Superintending Engineer.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Dated 19th August 1918.

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer to the Government of Mysore, up to 16th September 1918, for constructing Line Inspectors' quarters at Kankanhalli and Sarjapura. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1919.

2. The plans, detailed estimate and conditions may be seen at the Chief Electrical Engineer's Office at Bangalore, between the hours of 11 A.M. and 4 P.M., on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Chief Electrical Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees two hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Line Inspectors' quarters at Kankanhalli and Sarjapur," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever, for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
